

THE PRAYER FOR PEACE

Good Lord, source of all Peace here

Hear now Your children screaming!

Unite the nations for peace and friendship

And save this whole world

Grant us all Your mercy

Grant us all Your mercy

Grant us all Your mercy

We always trust You!

Oh, Mary - Mother of Great Mercy

Hear now mankind is begging You humbly

We're humbly asking for peace on Earth

So open Your heart - it will give us shelter

Show us all Your pity

Show us all Your pity

We always trust You!
